Text: 1 Timothy 5:24,25; 2 Timothy 1:5-7; 3:14,15

Main Idea: Our legacy is built on three realities:

I. Actions – seen & secret (public & private)

- things that are private to public

A. Deeds that are wrong

[1] To train our perspective

[2] To tell us our plight before God

B. Deeds that bear witness

A. the attempt to hide what we think

B. the encouragement to hide

III. Associations – relationships evident & enduring

- from what was to what will be
